

OVERVIEW

Business & Marketing Fashion Student with experience across digital marketing, brand development, SEO, social media, UX/UI and commercial strategy.

Proven track record of delivering measurable results, including 93.4% revenue growth, 76% lower Google Ads CPC and 32 high-ticket conversions in one month. Experience spanning NEXT, Selfridges, TriMas and independent brands, combining creative thinking, consumer insight and data-driven marketing to build brands and campaigns that deliver commercial impact.

ACHIEVEMENTS

NEXT: Developed and pitched award-winning AW25/26 range for NEXT through successful trend forecasting, market analysis, and garment design (see portfolio).

Selfridges: Created a visual merchandising concept for SELFRIDGES based on social, micro, and macroeconomic insights. The installation was implemented in the Bullring Selfridges store, as part of their SUMMER of SOUNDS (see portfolio).

XTC Clothing: Launched a clothing brand, overseeing everything from garment development with international suppliers to running effective Meta ad campaigns with low cost per result, and coordinating influencer and model collaborations, photoshoots, and brand campaigns ([xtcclothing.com](#))

EXPERIENCE

Buying & Merchandising Intern: Supported Buying & Merchandising through competitor analysis and trend research, providing insights to inform seasonal range development for **NEXT**.

Marketing Intern: Supported Global Marketing across multiple divisions, creating digital and physical marketing collateral for **TriMas (NASDAQ: TRS)**, a global manufacturer operating across 12 countries.

Marketing Manager: Developed and launched a website for a surveying firm, improving UX and site performance. Optimised Google Ads, cutting **CPC by 87.1%** (£1,800 → £232), and increasing high-ticket conversions from **1 to 32** in the first month.

UX & Logic App Designer: Collaborated with an Apple app developer to create fitness and productivity apps, combining market research, consumer trends and UX/UI design to develop engaging, commercially relevant digital experiences and marketing funnels.

Event Marketing Manager: Developed event branding and managed social channels, running Meta lead-generation campaigns, managing prospects and building client relationships through successful lead conversion and onboarding.

Supervisor: Managed Staff rotas and stock across 3 sites, redesigned menus driving **93.4% revenue growth**, and improved administrative efficiency through creating new digital streamlined systems.

Freelance: Delivered digital strategy for start-ups and SaaS businesses, spanning web design, SEO, video production, paid social, content strategy and marketing campaigns. Advised clients on brand development, digital growth and technical implementation.
